

# UNDERSTANDING GDPR

In May 2018 a new European privacy regulation called GDPR will be enforced and permanently change the way companies collect, store and use customer data.

Have you ever stopped to wonder how much personal data you have shared online?

Data is a valuable currency in this new world.

How will GDPR impact you?

Or what happens to that information?

Come along to one of our sessions, find out about GDPR and how you can protect yourself and how your personal information is used.
